FIRST CIRCULAR

V INTERNATIONAL CONFERENCE

«MODERN PROBLEMS OF MINING GEOLOGY AND GEOECOLOGY»

Kyiv 2024

Dear colleagues!

We invite you to take part in the IV International conference "Modern problems of mining geology and geoecology", which will be held at the State Institution "Scientific Centre for Mining Geology, Geoecology and Infrastructure Development of the National Academy of Sciences of Ukraine" on November 26 - 27, 2024.

In connection with the introduction of quarantine, due to the martial law, the conference will be held remotely in the ZOOM app.

Participation in the conference is free of charge. The collection of abstracts will be sent to the participants in electronic form after the conference. Each scientific article will be assigned a DOI identifier - the number of an electronic document on the global Internet. The submitted posters of the reports are posted on the website of the **State Institution "SCIENTIFIC CENTRE OF MINING GEOLOGY, GEOECOLOGY AND INFRASTRUCTURE DEVELOPMENT OF THE NAS OF UKRAINE"**.
